t need or want a rescuer The Warrior Princess needs an ally that she can rely upon in the chaos of battle She seeks a warrior equal to the tasks that she has already chosen for herself and is demonstrably capable of accomplishing with or without his help She is willing and able to fight the good fight alone but welcomes the notion of having a worthy partner fighting by her side And yet when the day s fighting is done she is perfectly at ease with considering herself entirely His heart might mind body and soul Why is she important She is important because she just may be the hope and salvation of this lifestyle There will come a day in the not too distant future when the Warrior Princess Submissive will be forced to become a combatant in a highly politicized war on the BDSM lifestyle It will be a propaganda war that characterizes all Dominants as abusers and all submissives as victims of abusive and exploitative relationships When she comes out of the shadows and chooses to fight for this lifestyle instead of against it as many of her contemporaries will expect her to do her strong moral compass will reassure those on the sidelines that she is doing what is right and just Michael Makai is the author of the Amazon best seller *Domination Submission The BDSM Relationship Handbook* Polyamorous Jenny Yuen,2018-11-17 A look at how people are giving themselves a choice to love another way More people than ever are exploring the possibility of opening up their relationships and not only that they are fighting for their legal rights to love however and whomever they choose In Polyamorous reporter Jenny Yuen digs into how polyamory affects underrepresented communities why these unions are becoming more normalized and how relationships with multiple partners can be a practical alternative to monogamy and an intriguing expedition through uncharted emotional territory Pairing off is no longer the default option for many For some polyamory is just a part of who they are **62Q** Michael Makai,2014 Your prospective Dominant is applying for a job As far as you should be concerned that job ought to be treated as the most important job in the world Choosing the right person can mean a lifetime fulfilled and happy Choosing the wrong Dom can result in a relationship train wreck ruined lives and perhaps even serious injury or death One way to avoid the potential pitfalls and dangers of ending up in a phony frustrating or dangerous BDSM relationship is to learn effective interviewing skills and to ask the right questions while getting to know your prospective Dominant Make no mistake about it this process should be treated like a series of interviews for a critical job where only the most qualified individuals need apply The applicant who gets this job will be placed in a position to potentially make life or death decisions with your life hanging in the balance **62Q** Sixty two Questions for Your Dominant gives you the tools you will need to learn what you must make good decisions based on facts rather than feelings and to protect yourself and your loved ones from fakes phonies jerks and predators Michael Makai has 37 years experience in the BDSM lifestyle and is the best selling author of *Domination Submission The BDSM Relationship Handbook The Warrior Princess Submissive* and *The BDSM Coloring Book An Activity Book for Kinksters with Crayons* **A Dom's Guide to Training a Sub** Mistress Dede,2016-11-04 The power the satisfaction and the intense rush of domination that goes through your body when your submissive bows to your will cannot be compared to any other thing in this world This ebook is every
