Domination Basics Secrets Of The Alpha Male 1:

Domination Basics Drawk Kwast,2010-12-13 This book shows a blatant disregard for social acceptability as it instructs readers toward one simple goal total domination It s egotistical sexist narcissistic and completely practical These are the secrets of the alpha male and throughout the centuries they have been the only real path to money women and power If you ve tried everything else it may be time to use what actually works Introduction In every generation there are two groups There are the masses For them the world is chaotic and painful They live most of their lives knowing something is wrong but not knowing how to fix it Their battle cry is one of weak mediocrity They are neither satisfied nor rested Their biggest fear is that they will die nothing more than the sum of their failures and frustrations There is another group They are the elite the Alphas They understand the universe as an equation They get it They are free in all the ways that others are not because they are free of fear Everything is in abundance for them They have the friends you want They have the jobs you want They have the cars you want parked in front of the houses you wish you owned They experience the life you want while surrounded by the women you want All the things you dream about they know how to get easier faster and smarter than you can At the end of every day they sleep with ease looking forward to the next day s adventures Which group are you a member of What if you had a choice This book will give you that choice Inside You Will Discover Part 1 Social Basics Being the envy of those around you How you choose to see yourself and those around you dictates how you assign value We are going to stack the deck in your favor by preventing you from sabotaging your own value and stopping you from over inflating the value of those around you With these skills you can thrive in any social environment Part 2 Business Basics Failure and other necessary ingredients for success This is your guide for maneuvering when things periodically and inevitably go wrong in the business world Where most men become paralyzed you will become stronger This is the art of building today s success out of yesterday s failures Part 3 Power Basics Understanding the source and nature of your power The source and nature of your power is no great secret yet most men will never understand these concepts because they expect complex answers By accepting the truths you didn t expect and taking action on a plan that is deceptively simple you will gain power far beyond what you thought possible
