## **Don Segundo Sombra:**

**Don Segundo Sombra** Ricardo Güiraldes, 1995 Ricadu Guiraldes s great novel of the Argentine pampa Don Segundo Sombra published in 1926 has been celebrated both as a national epic and as an elegy for the passing of an era Newly translated by Patricia Owen Steiner it is a proud addition to the University of Pittsburgh Press series of translations from twentieth century Latin American literature and poetry

**Don Segundo Sombra** Ricardo Güiraldes, 1971 **Don Segundo Sombra** Ricardo Güiraldes, 1926 Don Segundo Sombra Ricardo Güiraldes, 2022-03-29 Don Segundo Sombra is presented as a bilingual Spanish English book with side by side texts This book shows how a rebellious teenager transforms himself into a gaucho of the pampas under the guidance of Don Segundo Sombra the image of the ideal gaucho The gauchos loved their freedom they were nomads who wandered through the fields at a time when there were no fences and wild cattle abounded which allowed them to live off the land They only looked for temporary work in a ranch when they needed some money The figure of the gaucho always appears linked to the horse they were excellent riders and wranglers When the fields were wired and the railway connected the pampas with the rest of the country well into the 19th century the gaucho lost his freedom and the way of life portrayed in this book came to an end The original edition of Don Segundo Sombra doesn t have a Table of Contents because although the book is divided in 27 chapters they have no titles To help readers locate easily the different parts of this book we added a TOC with titles for each chapter but such titles are no part of the original book There are two other English translations of this book the 1935 translation by Harriet de On s published by Signet in 1966 with an afterword by herself and the 1995 translation by Patricia Owen Steiner accompanied by extensive critical materials published by the University of Pittsburgh Both translations although very good are out of print but also they were not written by people familiarized with the gaucho culture of Argentina which made them not very faithful to the original text Don Segundo Sombra was written by an educated man who used the real language spoken by the gauchos of the XIX century this complicates the translation of this book because it is full of colloquialisms and jargon This translation is the first one written by an Argentinean familiar with the cultural and gaucho jargon of the time Some words couldn t be translated properly because there are not English words for them in such cases the Spanish word was not translated but its meaning is explained in the Glossary All words included in the Glossary are underlined Also the same words can mean different things in different places and times those Spanish words who don t have the normal meaning in the time and place of this story the province of Buenos Aires in some moment of the XIX century also were underlined in the Spanish text and added to the Glossary We hope this bilingual translation can help English readers to understand better this classic work of the Latin American literature

Sombra es una novela rural argentina escrita por Ricardo Güiraldes y publicada por primera vez en 1926. A diferencia del clásico poema Martín Fierro de José Hernández, Don Segundo Sombra no reivindica socialmente al gaucho sino que lo evoca como personaje legendario. Sombra, en un tono elegíaco, parece sugerir a un subalterno si bien el tratamiento de Don Segundo Sombra quizás sin que Güiraldes fuera consciente de ello, la subalternidad se alía a un gaucho que por mantener su axiología a sus principios resulta superior a la axiología burguesa. Ricardo Güiraldes aprende en una especie de viaje iniciático lo que es el valor, el honor, la lealtad, que desde otra perspectiva puede mal interpretarse como subalternidad, el respeto al prójimo, todo esto amenizado en el libro con descripciones. La novela fue publicada en 1926, está escrita narrativamente en primera persona. *Ricardo Güiraldes and Don Segundo Sombra. Life and Works, Etc. Las lecturas temáticas intratextuales y lingüísticas de Don Segundo Sombra las realizaron Nilda Díaz, Eduardo Romano y Elena M. Rojas.
