America Today's Boomers don't want to slow down and many of them can't afford to. They want meaningful work that fuels their passion, suits their personality, and fills their pockets. In a word, they want to REWIRE. Don't Retire REWIRE Third Edition helps those new to retirement and those approaching it channel their energy and experience into new possibilities that can be financially and personally rewarding, whether it's a part-time job, volunteer work, or even a next career. Inside you'll find lots of practical advice and plenty of real-life stories from retirees who have successfully made the transition. You'll discover the motivational drivers you never knew you had, then you'll learn how to use them to achieve a fun, purposeful, and financially sound future at work or at play.

Don't Retire, Rewire! Jeri Sedlar, Rick Miners, 2007. A practical career handbook for those planning to continue to work in some form after the age of sixty-five explains how to find a work situation that is mentally, emotionally, and financially rewarding, with updated suggestions on how to define the type of work suited to individual interests and how to go through the process of obtaining such work. Original.
