Doris Salcedo Contemporary Artists Phaidon:

Doris Salcedo Carlos Basualdo, Doris Salcedo, Nancy Princenthal, Andreas Huyssen, 2000-01-11 A contemplation of the renowned Colombian artist's uncanny sculptural works *Doris Salcedo* Doris Salcedo, 1999 [Doris Salcedo](#) Doris Salcedo, Rod Mengham, Carlos Basualdo, 2004 [Readings in Latin American Modern Art](#) Patrick Frank, 2008-10-01 This important and welcome volume is the first English language anthology of writings on Latin American modern art of the twentieth century. The book includes some fifty seminal essays and documents including statements, interviews, and manifestoes by artists that encompass the broad diversity of this emerging field. Many of these materials are difficult to access and some are translated here for the first time. Together the selections explore the breadth and depth of Latin American modern art as well as its distinctive evolution apart from American and European art history. Included in this collection are fascinating ideas and insights on the impact of the avant-garde in the 1920s, the Mexican mural movement, Surrealism, and other fantasy-based styles, modern architecture, geometric and optical art, concrete and neo-concrete art, and political conceptualism. For students and scholars of Latin American art, the volume offers an invaluable collection of primary and secondary sources. *Artists from Latin American Cultures* Kristin G. Congdon, Kara Kelley Hallmark, 2002-10-30 Latin Americans have long been relegated to the cultural background, obscured by the dominant European culture. This biographical dictionary profiles 75 artists from the United States and 13 nations of Central and South America and the Caribbean, including painters, sculptors, photographers, muralists, printmakers, installation artists, and performance artists. Some of their works recall pre-Columbian times; others confront the cultural imperialism of the U.S. over Latin America, and many explore how the dominant elements of culture can affect identities of class, gender, and sexuality. Profiled artists range from the renowned to the little-known: Frida Kahlo, Tina Modotti, Diego Rivera, Myrna Baez, Raquel Forner, Patrocino Barela, and many more. Color photographs are provided for many of the works. Each entry includes information about the artist's childhood, schooling, creative growth, and artistic styles and themes. Exemplary artworks and influences are described along with a look at popular and critical responses. Supplemental features include artist cross-references, a glossary of essential terms from the art world, and a number of vivid photos portraying the artists in their creative environments.

Contemporary Art Gallery of New South Wales, Anthony Bond, Wayne Tunnicliffe, 2006 This book, one of a series on the gallery's collections, has two broad objectives: firstly, to introduce the contemporary collection and the ideas that have provided direction for its evolution; and secondly, to address and discuss with brevity and clarity the individual works of art.

Rethinking the Baroque Helen Hills, 2011 Retrieving the term baroque from the margins of art history, scholars from a range of disciplines demonstrate that it is a productive means to engage with art history and theory. Rather than attempting to provide a survey of baroque as a chronological or geographical conception, the essays here attempt critical re-engagement with the term baroque: its promise, its limits, and its overlooked potential in relation to the visual arts.
