Usabiaga-Ibáñez,1999-07-30 The book sets out to show the current state of macroeconomics from three main perspectives methodology theory and economic policy It is built on extensive conversation with some of the world s leading macroeconomists These are based on wide questionnaires covering jointly almost all the topics of macroeconomic theory as well as questions of methodology real economy and even academic systems and future lines of research Some of the questions have been put to all the respondents or many of them with the aim of bringing out their different positions References about authors and themes are also provided **Journal of Economic Literature** ,1982 **Thoughts on**

Economic Development in China Ma Ying,Ying Ma,Hans-Michael Trautwein,2013 This book is about mutual influences of thinking about economic development in China and in the West from the 18th century until the present Its chapters are contributed by development economists and historians of thought from China and other parts of the world The book describes important stages in the evolution cross fertilization and contextual modification of ideas about economic order development and institutional change It illustrates how Western concepts and theories have been adopted and adapted to Chinese conditions in different waves of modernization from the late 19th century until the present and that this was and is no one way traffic The book describes how pre classical thinking in the West in particular French Physiocracy in mid 18th century was influenced by China as an ideal and a source of ideas at a time when China was the largest and most advanced economy in the world It discusses to what extent concepts of Western style economics in particular in the fields of development economics and institutional economics can be used to understand the rapid transitions and developments of the Chinese economy in recent decades and to what extent they might need to be modified in the light of new experiences and

insights Against this background several contributions to the volume provide assessments of the current state of economic science and teaching in China in particular with regard to Chinese views on Western economics The book should be of interest to those who are interested in economic development and the history of economics in China *Business Economics* Richard Schwindt,1995 Franco Modigliani M. Szenberg,L. Ramrattan,2008-01-17 Starting with an overview of Modigliani's life the authors explain and assess his influential theories including his theory of the life cycle hypothesis of saving the famous Modigliani Miller theorem in corporate finance stabilisation policy econometric model building and forecasting and his legacy and influence on contemporary economics Bad Breaks in Real GDP and Employment Harrison C. Hartman,2024-05-31 Why do policymakers allow economies to settle into a new normal after a bad break in the economy rather than try to return the economy to its previous trend In this book economist Harrison C Hartman discusses some of the variables that impact a nation's ability to recover from negative aggregate demand shocks Spanning total real GDP per capita real GDP and nonfarm payroll employment in the USA the book emphasizes the role of aggregate demand shocks in causing the US economy to fail to return to trend The resulting book challenges modern mainstream macroeconomic theories and highlights the complexities of post recession recovery The chapters provide econometric evidence both for and against the impact of aggregate demand on real GDP and employment levels in the long run Hartman studies modern macroeconomic theories related to economic resilience and demand using a the velocity of money and the equation of exchange and b econometric analysis to dissect modern macroeconomic theories related to economic resilience and demand The book provides methods to estimate and evaluate trends and after simple methods for estimating trend and discussing associated results the book turns attention to model selection hypothesis testing and further results This book also offers some possible areas for future work A thought provoking exploration of economic recovery or lack thereof the book covers aggregate demand employment real GDP and economic theories classical Keynesian monetarist neoclassical new Keynesian and post Keynesian perspectives Bad Breaks in Real GDP and Employment is a timely and essential guide for economists navigating the complexities of past present and future macroeconomic landscapes It explains the functionality of aggregate demand in the context of economic recession offering insight into why some AD shocks feel permanent This book provides econometric evidence supporting Keynesian and post Keynesian perspectives on the potential importance of aggregate demand in determining real GDP and employment levels in the long run particularly in cases when real GDP and employment fail to recover fully after recessions This book is one of few contemporary works a explicitly noting the economic importance of money velocity and b focusing on econometric analysis that at least at times supports post Keynesian perspectives **The Upside of Down** Thomas Homer-Dixon,2006 Publisher description The British National Bibliography Arthur James Wells,2004 **Novum** Universidad del Pacífico. Dornbusch Fischer Startz Macroeconomics Study Guide: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
