Oliver Bullough, 2022-06-14 Named one of the Best Books of 2022 by the New Yorker and the Economist In his forceful follow up to Moneyland Oliver Bullough unravels the dark secret of how Britain placed itself at the center of the global offshore economy and at the service of the worst people in the world The Suez Crisis of 1956 was the nadir of Britain s twentieth century the moment when the once superpower was bullied into retreat Great Britain has lost an empire and not yet found a role said Dean Acheson a former US secretary of state Acheson s line has entered into the canon of great quotations but it was wrong Britain had already found a role The leaders of the world just hadn t noticed it yet Butler to the World reveals how Britain came to assume its role as the center of the offshore economy Written polemically but studded with witty references to the butlers of popular fiction it demonstrates how so many elements of modern Britain have been put at the service of the world s oligarchs The Biden administration is putting corruption at the heart of its foreign policy and that means it needs to confront Britain s role as the foremost enabler of financial crime and ill behavior This book lays bare how London has deliberately undercut U S regulations for decades and calls into question the extent to which Britain can be considered a reliable ally Disbanding the Patriarchy Yolanda K Vega, 2025-10-31 Disbanding the Patriarchy Sex Policy and Power

presents evidence from Australia Europe India the UK and the USA revealing the calculated efforts to impede progress dictated by oligarchs the media religious dogmas and androcentric leaders Patriarchal forces are deliberately accelerating the regression of equality The decline of democracy and human rights threaten health services political frameworks financial stability and education systems Celebrating the remarkable triumphs of activists feminists and advocates their strength courage and perseverance exemplifies how united successes are possible The four feminist waves along with the current tsunami are recognised as powerful demonstrations of collective voices disrupting corruption and exposing the reality that

wealth does not equate to intelligence or capacity Incorporating academic research personal experiences and a practical toolkit in every chapter this book presents a comprehensive assessment of both contemporary and prescriptive norms that suppress autonomy marginalise the majority and distort reality Readers will gain a critical evidence based understanding of the barriers to equality alongside practical strategies to disband phallocentric principles and influence the implementation of sustainable meaningful social reforms Proportionate representation reinforced by inclusive leadership has been proven to deliver financial prosperity effective governance and social advancement presenting a compelling case for disbanding unacceptable power structures in the pursuit of a fairer and more balanced world For those who wear one or many hats feminists policymakers educators caregivers researchers advocates activists journalists students academics lawyers jurists healthcare professionals executives entrepreneurs artists NGOs and politicians note the United Nations calculates that at the current rate achieving legal parity could take another 286 years This alarming reality serves as a call to action reminding the reader that transformative positive developments are within reach Neutralising regression demands deliberate sustained and collective efforts to transform suppression into equal justice one decisive action at a time **Racist America** Joe R.

Feagin,Kimberley Ducey,2025-07-04 The fifth edition of Racist America is thoroughly revised and updated focusing on systemic racism and antiracism issues especially those arising since the fourth edition 2019 Expanding the discussion on racialized intersectionality as well as on the white racial frame elite white male dominance system and antiracist action this book details how these racism realities continue to impact black Latino Asian Indigenous and white Americans The book explains how and why the Black Lives Matter movement and other antiracist protests have erupted how and why Latino Asian and Indigenous Americans have responded to expanding racist discrimination and how and why a diverse array of Americans has demanded major societal responses to dismantle entrenched white racism **Media and the Government**

of Populations Philip Dearman,Cathy Greenfield,Peter Williams,2018-08-12 This book deals with the social cultural and especially political significance of media by shifting from the usual focus on the public sphere and publics and paying attention to populations It describes key moments where populations of different sorts have been subject to formative and diverse projects of governing in which communication has been key It brings together governmentality studies with the study of media practices and communication technologies Chapters consider print culture and the new political technology of individuals digital economies as places where populations are formed known and managed as productive resources workplaces schools clinics and homes as sites of governmental objectives and how to appropriately link communication technologies and practices with politics Through these chapters Philip Dearman Cathy Greenfield and Peter Williams demonstrate the value of considering communication in terms of the governmentof populations **Handbook for**
