Dont Follow The Herd 7 Costly Mistakes People Make With Their Money:

A Wealth of Common Sense Ben Carlson, 2015-05-15 A simple guide to a smarter strategy for the individual investor A Wealth of Common Sense sheds a refreshing light on investing and shows you how a simplicity based framework can lead to better investment decisions The financial market is a complex system but that doesn't mean it requires a complex strategy In fact this false premise is the driving force behind many investors' market mistakes Information is important but understanding and perspective are the keys to better decision making This book describes the proper way to view the markets and your portfolio and show you the simple strategies that make investing more profitable less confusing and less time consuming Without the burden of short term performance benchmarks individual investors have the advantage of focusing on the long view and the freedom to construct the kind of portfolio that will serve their investment goals best This book proves how complex strategies essentially waste these advantages and provides an alternative game plan for those ready to simplify Complexity is often used as a mechanism for talking investors into unnecessary purchases when all most need is a deeper understanding of conventional options This book explains which issues you actually should pay attention to and which ones are simply used for an illusion of intelligence and control Keep up with or beat professional money managers Exploit stock market volatility to your utmost advantage Learn where advisors and consultants fit into smart strategy Build a portfolio that makes sense for your particular situation You don't have to outsmart the market if you can simply outperform it Cut through the confusion and noise and focus on what actually matters A Wealth of Common Sense clears the air and gives you the insight you need to become a smarter more successful investor Admap, 2009 *The Dairymen's League News*, 1925

New Zealand Farmer Weekly, 1927 **Hoard's Dairyman**, 1900 The Country Gentleman, 1906 Don't Follow the Herd Tony Walker, 2010-01-01 From the time we're old enough to walk society teaches us to work hard think for ourselves and above all else never succumb to peer pressure Yet as we grow older and less confident in ourselves we find it easier to simply follow along with what everyone else is doing a phenomenon known as the Herd Mentality This phenomenon is most obvious when it comes to our money Like clueless Cows led to slaughter we give the Financial World our money because that's what everyone else is doing The result we all the sudden wake up to discover that they've made more money on our money than we have If you're tired of drinking downstream from the rest of the herd then read this book Don't Follow the Herd will give you valuable insight into the Financial World and how to avoid the 7 Costly Mistakes that people make with their money You will regain control of your money and your financial future The Indiana Farmer, 1916 **The Banker-farmer**, 1922 The Northwest Horticulturist, 1901 American Agriculturist, 1908 **Congressional Record** United States.
