

A photograph of a winding asphalt road on a mountain side. The road curves to the left, bordered by a steep, rocky cliff on the left and a stone wall on the right. The background shows a dense forest of evergreen trees. Overlaid on the road in large, bold, yellow, stylized capital letters is the text:

The Rebellion of Absalom Keith Bodner, 2013-12-04 With extraordinary range and literary energy, the story of Absalom's rebellion in 2 Samuel ranks as the most elaborate and extensively narrated internal political event in the Hebrew Bible, complete with a host of scandalous and sordid events: illicit sex, murder, cover-up, petty crime, to name a few. For many students approaching the historical books of the Bible, however, texts often fail to address the vitality of this most turbulent period of King David's career. Bodner addresses this shortcoming with his *The Rebellion of Absalom*, a lively analysis of the early monarchy of Israel written by a recognized commentator of the Bible's historical books. Concise and insightful, each chapter incrementally focuses on the stages of David's rise to power and Absalom's early life and rebellion. Crucial issues in the development of Israel's monarchy are embedded in this story, including royal legitimation, divine election, succession, usurpation, divine and human punishment. *The Rebellion of Absalom* is a student-friendly, culturally savvy approach to one of the most important episodes in deciding how the kings of Israel would be determined throughout the monarchic period.

The Branch Exposition of the Bible, Volume 2 Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, *The Branch Exposition of the Bible* is a resource for preachers, scholars, and ordinary Christians alike to help open God's word and shed its light into life, ministry, and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa, India, and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. Together with the New Testament volume, this exposition of the Old Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.
