**We Don't Need God to Be Good** Ricky Firman,2025-09-08 What if morality never belonged to heaven or hell in the first place For centuries humanity has outsourced its conscience We thank God for every good deed and blame the Devil for every evil one It s a theater of excuses that lets us dodge the most uncomfortable truth of all it was always us In this bold brutally honest and darkly comic book Ricky Firman tears down the stage and throws away the costumes He dismantles the myths of divine credit and demonic blame exposing how religion culture and fear have turned morality into an outsourced business With wit as sharp as it is unsettling he argues that we don t need God to be good and we don t need the Devil to be evil because both goodness and evil have always been human choices This is not a polite discussion about faith It is a satirical manifesto that mocks our need for cosmic babysitters and dares us to face the mirror instead The result is uncomfortable liberating and impossible to ignore If you ve ever questioned the logic of divine reward and demonic temptation or if you ve ever suspected that morality might just be ours to own this book hands you the mirror you ve been avoiding Look into it if you dare We Don t Need God to Be Good And We Don t Need the Devil to Be Evil is a fearless reminder that the most terrifying liberating truth is also the simplest morality has always belonged to us

**The Power of Prayer** Wright L. Lassiter,2005 Illustrated by Eddie Walker It is my prayer that each reader will find the principles mechanics and examples of my teaching prayers the preached words and the prayer examples to be instructive and helpful as we all seek to find peace with God through prayer In this relatively short treatise the reader is reminded that prayer must become as natural as breathing It is such prayer that men defeat spiritual forces arrayed against them that no human means can overcome The reader is reminded that prayer is one of the most vital subjects in the

Scripture and it receives extensive mention in both Old and New Testaments Prayer expresses a rightful understanding of the one true God and who He is Prayer also expresses our special relationship to Him and our total dependence upon Him Scripture teaches so extensively on the subject of prayer that one could spend lifetime examining its many revelations Therefore any study of prayer is apt to be incomplete because the subject is so vast That being said this written offering is far from complete it is designed to function in the same manner as one of my earliest books in school a little primer for the average Christian      **The Evangelical Repository, and Bible Teacher** ,1886      **Devil's Dice** William Le Queux,1897
