might want to call battles are not battles but wars These require almost all weapons in your warehouse they need prayer and fasting Some wars last for years and they need you to check where you went wrong daily You would also need to check why you were defeated and or why you lashed the enemy that day Your greater goal will be to win the war at the end of the period Your proficiency level will either prolong or shorten the period of your fight The more proficient you are the shorter the period of your war This book thrives to hand over the right artillery to you by looking on how others who are in the Book of Books who were in battles fought defended and pursued their enemy to gain victory Read on victory is lingering
