Music Learning Award Winning:

The Routledge Handbook to Sociology of Music Education Ruth Wright, Geir Johansen, Panagiotis A. Kanellopoulos, Patrick Schmidt, 2021-03-29 The Routledge Handbook to Sociology of Music Education is a comprehensive authoritative and state of the art review of current research in the field The opening introduction orients the reader to the field highlights recent developments and draws together concepts and research methods to be covered The chapters that follow are written by respected experienced experts on key issues in their area of specialisation From separate beginnings in the United States Europe and the United Kingdom in the mid twentieth century the field of the sociology of music education has and continues to experience rapid and global development It could be argued that this Handbook marks its coming of age The Handbook is dedicated to the exclusive and explicit application of sociological constructs and theories to issues such as globalisation immigration post colonialism inter generational musicking socialisation inclusion exclusion hegemony symbolic violence and popular culture Contexts range from formal compulsory schooling to non formal communal environments to informal music making and listening The Handbook is aimed at graduate students researchers and professionals but will also be a useful text for undergraduate students in music education and cultural studies Developing Creativities in Higher Music Education

Pamela Burnard, 2013-10-08 This is the first book to critically address the issue of how we can enhance and develop creativities in higher music education It features new international richly diverse perspectives on the nature and practice of creativities in different cultural and institutional contexts in varying roles and in response to diverse professional pressures and expectations of artistic and educational achievement This compelling and provocative book combines powerful social and educational commentaries and examples drawn from international sources based on original practices and experience of a diversity of creativities The authors provide an important contribution by drawing attention to what is at the heart of all music and how we can understand and foster these multiple creativities at an individual and institutional level It features new analyses of the question of creativities in higher music education and offers illustrative and innovative examples of adaptive learning environments for teaching and learning creatively considering the broader issue of the role of creativities in relation to educational policy in the context of increasingly interventionist governments and rapidly paced educational change Topics covered include the conceptual tools for people to think about and debate multiple creativities the role of creativities in higher music education how musicians can develop multiple creativities in new ways new approaches to teaching and learning for multiple creativities what constitute leadership creativities in conservatoires and music departments creativities at the interface of institutional learning cultures assessing the multiple creativities of music Developing Creativities in Higher Music Education offers a multi disciplinary research and practice focus which will be essential reading for anyone involved in higher education and industry sectors The book will appeal to academics and practitioners in music researchers instrumental and vocal teachers curriculum and policy developers and institutional

managers who want to enrich the higher education experiences of their students and enable them to develop more of their creative potential. It is also ideal reading for undergraduate and postgraduate students of music education who are looking for an authoritative selection of writings that define the fields of musical creativities in one comprehensive volume. **The Oxford Handbook of Philosophical and Qualitative Assessment in Music Education** David J. Elliott, Marissa Silverman, Gary E. McPherson, 2019-07-01. The Oxford Handbook of Philosophical and Qualitative Assessment in Music Education offers global comprehensive and critical perspectives on a wide range of conceptual and practical issues in music education assessment evaluation and feedback as these apply to various forms of music education within schools and communities. The central aims of this Handbook focus on broadening and deepening readers' understandings of and critical thinking about the problems, opportunities, spaces and places, concepts and practical strategies that music educators and community music facilitators employ, develop and deploy to improve various aspects of music teaching and learning around the world. *The Oxford Handbook of Assessment Policy and Practice in Music Education, Volume 1* Timothy S. Brophy, 2019-01-02. In this two-volume Handbook, contributors from across the globe provide expert perspectives on the assessment, measurement and evaluation of student learning in music. Dictionary of Music Education, Irma H. Collins, 2013-10-18. Irma Collins's Dictionary of Music Education is more than just a lexicon. It is a journey through time and the story of the evolution of music education, including entries on notable individuals, crucial terms, important events and key organizations. A broad survey of the field, Collins includes information about a variety of English-speaking countries such as the United States, the United Kingdom, Canada and Australia, emphasizing the impact music education researchers and organizations have had on one another across the globe. Biographical entries profile musicians and music educators who were among the founders or first implementers of significant pedagogical tools and methods. Terms include standard concepts in the field of music education. Event and organization entries are those crucial to the advancement of music education regionally, nationally and internationally. Dictionary of Music Education also includes a timeline, cross references and a significant bibliography. This work will interest anyone involved in the field of music education, from students and faculty to administrators and private instructors.
