Exorcism A Christian Manual:

A Manual on Exorcism H. A. Maxwell Whyte, 1974 Freedom from evil spirits is one of the blessings purchased for us at Calvary by the Lord Jesus H A Maxwell Whyte discusses forty five questions about demons and how they can be defeated He provides clear helpful explanations that will make sense to anyone searching for the truth about demons and exorcism **A History of Exorcism in Catholic Christianity** Francis Young, 2016-04-27 This book traces the development of exorcism in Catholic Christianity from the fourth century to the present day and seeks to explain why exorcism is still so much in demand This is the first work in English to trace the development of the liturgy practice and authorisation of exorcisms in Latin Christianity The rite of exorcism and the claim by Roman Catholic priests to be able to drive demons from the possessed remains an enduring source of popular fascination but the origins and history of this controversial rite have been little explored Arguing that belief in the need for exorcism typically re emerges at periods of crisis for the church Francis Young explores the shifting boundaries between authorised exorcisms and unauthorised magic throughout Christian history from Augustine of Hippo to Pope Francis This book offers the historical background to and suggests reasons for the current resurgence of exorcism in the global Catholic Church **Christian Guide To Mental Illness Vol 2** Stephen M Saunders, 2019-07-01 How many people suffer from mental illness Did you know that one in five people including Christians will suffer from a mental illness in any given year This shocking statistic means that many churches will have families who are affected by and struggling with mental illness This second entry in a two volume set about mental illness by Dr Stephen Saunders will help you respond to these difficult circumstances and directing Christian brothers and sisters to the care and support they need while also reminding them of their Savior s love A Christian Guide to Mental Illness Volume 2 details how core ideas about mental illnesses and their treatments have changed over time The book also offers guidance to pastors and church workers who wish to provide practical assistance to the people they serve You will learn how to begin the vitally important conversation on mental illness prepare for crisis management recognize the need for professional treatment assist loved ones and share with everyone impacted by mental illness the spiritual comfort that only comes from God s Word As he did in Volume 1 Dr Saunders demonstrates in this book a thorough understanding of essential Christian teachings Both church leaders and church members will find assistance and encouragement in this book as they reach out to family and friends affected by mental illness **Manual on Demonology** Roy Bryant, 1997-11-01 Hardback Book by veteran in the deliverance ministry Deliverance topics include What is Demonology Biblical proofs of the works of Satan Sexual Abuse Incest Rape Infertility Guilt Shame Depression Death Homosexuality Pornography Adultery Divorce Jezebel Hatred of Opposite Sex Criticism Domineering Multiple Personalities Family Curse Rebellion Jealousy Eating Disorders Controlled Substances Witchcraft Occult Psychics Sorcery and more [Dealing with Demons](#) Bob Larson, 2016-06-21 How Do You Know When You re Dealing with Demons Though many of life s problems have natural causes in the back of our minds there

is one question that must be considered Is it the devil How do you know if your problem is the result of life choices or a demonic influence With a ministry spanning several decades exorcist Bob Larson *Exorcism* Lester Sumrall,1991 Why we can't pretend demons don't exist What did Jesus say about demons How does a person get possessed Can a Godly believer be possessed This is a remarkable book full of easy to understand instruction a manual for the serious question asking Christian

Making Amulets Christian Theodore de Bruyn,2018-01-26 Making Amulets Christian Artefacts Scribes and Contexts examines Greek amulets with Christian elements from late antique Egypt in order to discern the processes whereby a customary practice the writing of incantations on amulets changed in an increasingly Christian context It considers how the formulation of incantations and amulets changed as the Christian church became the prevailing religious institution in Egypt in the last centuries of the Roman empire Theodore de Bruyn investigates what we can learn from incantations and amulets containing Christian elements about the cultural and social location of the people who wrote them He shows how incantations and amulets were indebted to rituals or ritualizing behaviour of Christians This study analyzes different types of amulets and the ways in which they incorporate Christian elements By comparing the formulation and writing of individual amulets that are similar to one another one can observe differences in the culture of the scribes of these materials It argues for conditioned individuality in the production of amulets On the one hand amulets manifest qualities that reflect the training and culture of the individual writer On the other hand amulets reveal that individual writers were shaped whether consciously or inadvertently by the resources they drew upon by what is called tradition in the field of religious studies

The Social Scientific Study of Exorcism in Christianity Giuseppe Giordan,Adam Possamai,2020-06-01 This book presents an academic analysis of exorcism in Christianity It not only explores the crisis and drama of a single individual in a fight against demonic possession but also looks at the broader implications for the society in which the possessed lives In recognition of this coverage includes case studies from various geographical areas in Europe North and South America and Oceania The contributors explore the growing significance of the rite of exorcism both in its more structured format within traditional Christian religions as well as in the less controlled and structured forms in the rites of deliverance within Neopentecostal movements They examine theories on the interaction between religion magic and science to present new and groundbreaking data on exorcism The fight against demonic possession underlines the way in which changes within the religious field such as the rediscovery of typical practices of popular religiosity challenge the expectations of the theory of secularization This book argues that if possession is a threat to the individual and to the equilibrium of the social order the ritual of exorcism is able to re-establish a balance and an order through the power of the exorcist This does not happen in a social vacuum but in a consumer culture where religious groups market themselves against other faiths This book appeals to researchers in the field Fight Valiantly Tom Clammer,2019-06-30 There is a clear lack in the Church of England of a coherent and thought through treatment of evil and the devil within the texts which the Church of England traditionally

identifies as the repositories of doctrine Focusing on initiation healing and deliverance liturgies within the church Fight Valiantly seeks to rectify that deficit considering the Church of England's liturgical practice in the parishes and highlighting the present danger of worshippers receiving an inconsistent and potentially incoherent account of the relationship with evil
