The Developing Person Through the Life Span Kathleen Stassen

Berger, 2011-02-18 The seventh edition comes with significant revision of cognitive development throughout childhood revised and updated chapters on adolescence and more attention to emerging and early adulthood It is a thorough revision with new research on everything from genetics to the timing of puberty including brain development life span disorders and cultural diversity It also includes new learning features promoting critical thinking revision and application product description Receiving the Gift of Friendship Hans S. Reinders, 2008-04-14 Does what we are capable of doing define us as human beings If this basic anthropological assumption is true where can that leave those with intellectual disabilities unable to accomplish the things that we propose give us our very humanity Hans Reinders here makes an unusual claim about unusual people those who are profoundly disabled are people just like the rest of us He acknowledges that at first glance this is not an unusual claim given the steps taken within the last few decades to bring the rights of those with disabilities into line with the rights of the mainstream But he argues that cannot be the end of the matter because the disabled are human beings before they are citizens To live a human life properly he says they must not only be included in our institutions and have access to our public spaces they must also be included in other people's lives not just by natural necessity but by choice Receiving the Gift of Friendship consists of three parts 1 Profound Disability 2 Theology and 3 Ethics Overturning the commonsense view of human beings Reinders's argument for a paradigm shift in our relation to people with disabilities is founded on a groundbreaking philosophical theological consideration of humanity and of our basic human commonality Moreover Reinders gives his study human vividness and warmth with stories of the profoundly disabled from his own life and from the work of Jean Vanier and Henri Nouwen in L'Arche communities *Forthcoming Books* Rose Arny, 2000
