Exile And Pride Disability Queerness And Liberation

Stephanie Jenkins, Kelly Struthers Montford, Chloë Taylor

Exile And Pride Disability Queerness And Liberation:

Exile and Pride Eli Clare, 2015-08-27 First published in 1999 the groundbreaking Exile and Pride is essential to the history and future of disability politics Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist writer established him as one of the leading writers on the intersections of gueerness and disability and permanently changed the landscape of disability politics and queer liberation With a poet s devotion to truth and an activist s demand for justice Clare deftly unspools the multiple histories from which our ever evolving sense of self unfolds His essays weave together memoir history and political thinking to explore meanings and experiences of home home as place community bodies identity and activism Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression power and resistance At the root of Clare's exploration of environmental destruction and capitalism sexuality and institutional violence gender and the body politic is a call for social justice movements that are truly accessible to everyone With heart and hammer Exile and Pride pries open a window onto a world where our whole selves in all their complexity can be realized loved and embraced Exile and Pride Eli Clare, 1999 Exile and Pride is a call to awareness an exhortation for each of us to examine our connection to and alienation from our environment our sexuality and each other Kenny Fires author of Body Remember A Memoir BR BR Eli Clare's original work exploring the interstices between class environmentalism radical gender politics and disability consciousness moves beyond the false compartmentalisation that has characterised progressive politics in the nineties and toward a viable radical politics for the twenty first century Ynestra King polio survivor co editor Dangerous Intersections BR BR Eli Clare a lesbian with cerebral palsy examines environmentalism disability and gender both personally and politically In interconnected essays Clare links her life to the rednecks and clearcuts she grew up among the freak shows of the nineteenth century and the transgender warriors of today Her intelligence and wit shine through her ruminations on cerebral palsy child abuse and her love of nature and the connections among the histories of disabled people women and gay lesbian bi trans people **Brilliant Imperfection** Eli Clare, 2017-02-03 In Brilliant Imperfection Eli Clare uses memoir history and critical analysis to explore cure the deeply held belief that body minds considered broken need to be fixed Cure serves many purposes It saves lives manipulates lives and prioritizes some lives over others It provides comfort makes profits justifies violence and promises resolution to body mind loss Clare grapples with this knot of contradictions maintaining that neither an anti cure politics nor a pro cure worldview can account for the messy complex relationships we have with our body minds The stories he tells range widely stretching from disability stereotypes to weight loss surgery gender transition to skin lightening creams At each turn Clare weaves race disability sexuality class and gender together insisting on the nonnegotiable value of body mind difference Into this mix he adds environmental politics thinking about ecosystem loss and restoration as a way of delving more deeply into cure Ultimately Brilliant Imperfection reveals cure to be an ideology grounded in the twin notions of normal

and natural slippery and powerful necessary and damaging all at the same time Beholding Disability in Renaissance England Allison P. Hobgood, 2024-11-04 Human variation has always existed though it has been conceived of and responded to variably Beholding Disability in Renaissance England interprets sixteenth and seventeenth century literature to explore the fraught distinctiveness of human bodyminds and the deliberate ways they were constructed in early modernity as able and not Hobgood examines early modern disability ableism and disability gain purposefully employing these contemporary concepts to make clear how disability has historically been disavowed and avowed too Thus this book models how modern ideas and terms make the weight of the past more visible as it marks the present and cultivates dialogue in which early modern and contemporary theoretical models are mutually informative Beholding Disability also uncovers crucial counterdiscourses circulating in the English Renaissance that opposed cultural fantasies of ability and had a keen sensibility toward non normative embodiments Hobgood reads impairments as varied as epilepsy stuttering disfigurement deafness chronic pain blindness and castration in order to understand not just powerful fictions of ability present during the Renaissance but also the somewhat paradoxical surprising ways these ableist ideals provided creative fodder for many Renaissance writers and thinkers Ultimately Beholding Disability asks us to reconsider what we think we know about being human both in early modernity and today **Disability Politics and Theory** A.J. Withers, 2020-06-19T00:00:00Z An accessible introduction to disability studies Disability Politics and Theory provides a concise survey of disability history exploring the concept of disability as it has been conceived from the late 19th century to the present Further A J Withers examines when how and why new categories of disability are created and describes how capitalism benefits from and enforces disabled people s oppression Critiquing the model that currently dominates the discipline the social model of disability this book offers an alternative the radical disability model This model builds on the social model but draws from more recent schools of radical thought particularly feminism and critical race theory to emphasize the role of intersecting oppressions in the marginalization of disabled people and the importance of addressing disability both independently and in conjunction with other oppressions Intertwining theoretical and historical analysis with personal experience this book is a poignant portrayal of disabled people in Canada and the U S and a radical call for social and economic justice Disability in American Life Tamar Heller, Sarah Parker Harris, Carol J. Gill, Robert Gould, 2018-12-07 Disability as with other marginalized topics in social policy is at risk for exclusion from social debate This multivolume reference work provides an overview of challenges and opportunities for people with disabilities and their families at all stages of life Once primarily thought of as a medical issue disability is now more widely recognized as a critical issue of identity personhood and social justice By discussing challenges confronting people with disabilities and their families and by collecting numerous accounts of disability experiences this volume firmly situates disability within broader social movements policy and areas of marginalization providing a critical examination into the lived experiences of people with disabilities and how disability can

affect identity A foundational introduction to disability for a wide audience from those intimately connected with a person with a disability to those interested in the science behind disability this collection covers all aspects of disability critical to understanding disability in the United States Topics covered include characteristics of disability disability concepts models and theories important historical developments and milestones for people with disabilities prominent individuals organizations and agencies notable policies and services and intersections of disability policy with other policy Disability and Animality Stephanie Jenkins, Kelly Struthers Montford, Chloë Taylor, 2020-03-26 The fields of Critical Disability Studies and Critical Animal Studies are growing rapidly but how do the implications of these endeavours intersect Disability and Animality Crip Perspectives in Critical Animal Studies explores some of the ways that the oppression of more than human animals and disabled humans are interconnected Composed of thirteen chapters by an international team of specialists plus a Foreword by Lori Gruen the book is divided into four themes Intersections of Ableism and Speciesism Thinking Animality and Disability together in Political and Moral Theory Neurodiversity and Critical Animals Studies Melancholy Madness and Misfits This book will be of interest to undergraduate and postgraduate students as well as postdoctoral scholars interested in Animal Studies Disability Studies Mad Studies philosophy and literary analysis It will also appeal to those interested in the relationships between speciesism ableism saneism and racism in animal agriculture culture built environments and ethics

Care and Disability D. Christopher Gabbard, Talia Schaffer, 2025-02-12 Care and Disability is an edited collection offering critical perspectives on representations of care and disability by emerging and established scholars across multiple periods regions and genres of literary studies The authors demonstrate the range of fields in which care ethics can elucidate alternative cultural and social dynamics including Indigenous African American and Asian texts and historical eras that predate the modern medical profession This collection is committed to drawing out the changing racial gendered classed and sexual elements of care emphasizing how care communities develop as alternatives to the heteronormative couple and the nuclear family Drawing from the care ethics and disability theory the work in this volume demonstrates the possibilities inherent in this new cutting edge field It will be of interest to all scholars and students of disability studies care ethics sociology narrative medicine Romanticism eighteenth century studies transatlantic nineteenth century studies film and contemporary race studies <u>Unfurl</u> Eli Clare, 2025-08-15 Blending poetry and creative nonfiction emotion and activist thinking Eli Clare explores the pulsing core and porous edges of survival sorrow and dreaming Lambda Book Report .1999 **Equality in Meeting Basic Needs** Lynne O'Neil Fox, 2004 Thinking and Doing Intersectionality in Sociology of Sport Lucie Schoch, Madeline Pape, Akilah Carter-Francique, 2023-08-23 Intersectionality has become a defining paradigm for critical feminist scholarship Rooted in Black Feminism it recognizes the interlocking and mutually constitutive character of salient systems of difference and inequality such as gender race class sexuality nationality disability which together form a matrix of domination Collins 1990 While intersectionality has become a buzzword for feminist scholars and activists Davis

2008 it has also attracted criticism and debate There are unresolved questions concerning how it can be conceptualized Choo Strid Walby and Armstrong 2013 and put to practical use beyond the academy Cho Crenshaw McCall 2013 So too are scholars and activists questioning whether intersectionality has been overly commodified and appropriated by white feminisms and disconnected from its radical origins Nash 2019 In the wake of the COVID 19 pandemic and its intersectional impacts as well as the recent intensification of activism and protest related to racialized and gendered injustices the moment is ripe to revisit and reflect on the concept of intersectionality including within the field of sociology of sport While sport clearly lends itself to intersectional analysis Carter Francique 2017 to date there has not been a systematic effort to consider where and how the concept of intersectionality fits within the sociology of sport as a discipline It is precisely this project that this Research topic invites Taking up the three key axes that have organized intersectionality scholarship to date theory methods and practice we ask How has intersectional theorizing and analysis figured within sociology of sport to date What explanatory power does it offer as a framework for investigating power and inequality in sport and what are its limitations How might its application in the context of sport advance sociological approaches to intersectionality as a methodology Critically via what practices might intersectional empowerment be realized in sport What does activism for and the organization of intersectional justice in sport look like Given the breadth of issues research sites and theoretical paradigms taken up to date within sociology of sport we suggest that the discipline offers an ideal setting in which to unpack the complexity of intersectional processes and politics We suggest further that the current moment is ripe for such an intervention from the impacts of the Black Lives Matter and MeToo movements to the uneven effects of the COVID 19 pandemic on the sporting world intersectional analyses are needed to address the pressing inequalities that continue to characterize sport and animate the field Who's Afraid of Women's Studies? Mary Frances Rogers, C. D. Garrett, 2002 A highly accessible overview of the central themes of women's studies suitable for introductory reading in undergraduate courses or for a more general audience s introduction to the meaning of feminism and its relevance as a progressive force in society The authors tackle six broad topics that dominate the field and are key to understanding women s experiences and prospects women s bodies anger desires sexuality internal backlash feminist methods identity politics. The authors consider why there is a resistance to the development of American feminism and women s studies in the academy with their continuing representation of marginalized excluded and silenced voices Michigan Journal of Gender & Law ,2004

Trans/acting Truths Dorthe Troeften,2005 Sinister Wisdom ,2000 Women Studies Abstracts ,2000 Feminist Studies ,2005 The Ultimate Guide to Sex and Disability Miriam Kaufman,Cory Silverberg,Fran Odette,2003 The Ultimate Guide to Sex and Disability is a long overdue self help sex guide for the millions of people living with disabilities and chronic pain and illness For sufferers of ailments from chronic fatigue syndrome and spinal cord injury to multiple sclerosis fibromyalgia and others the book provides encouragement support and expert information on sex positions orgasm and sex

toys It also features illustrations a resource guide with hundreds of books websites and organizations Text-wrestling Book Marcia Smith Curtis, 2001
