GEORGE O. WOOD

Fearless How Jesus Changes Everything

Camilla Rothe

Fearless How Jesus Changes Everything:

Fearless George O. Wood, 2015 A caring pastor and author meets with you daily in this collection of 261 inspiring devotions Dr George O Wood examines the Book of Mark while providing a Scripture passage and prayer for each day Wood is an engaging storyteller who shares an upbeat mini story or vignette every day For example one day s reading introduces the first grocery store owner to offer grocery carts for customers It took time for people to accept this helpful new idea since they had always carried everything themselves Dr Wood explains that our Savior does something similar for us We tend to carry more burdens than necessary so the Lord reaches out and says Let Me do it for you *Sunday School Changes*

Everything Dr. Henrietta C. Mears, 2016-03-11 When Dr Henrietta Mears began her ministry in Hollywood California in the 1930s she was facing several challenges Sixty percent of children at the time were not attending a church of any sort Fewer than fifteen percent of children who attended Sunday School ever made a decision to follow Jesus Youth in their early college years were walking away from faith at an unprecedented rate Church attendance across the United States was experiencing a decline instead of growth In response to the crisis Dr Mears instituted a set of principles that helped grow the Sunday School program at First Presbyterian Church of Hollywood from 450 to more than 4 000 in just three years In *Sunday School Changes Everything* you will find her fearless recommendations on how to Build your church s Christian education program both numerically and spiritually Use practical methods for training your leaders and teaching students of all stages of life Implement five ingredients of successful ministry Jesus the Bible relationships a comprehensive plan and life change Employ 10 standards of a good curriculum that will help you answer the question of what to teach **The Restorative Prison**

Byron R. Johnson, Michael Hallett, Sung Joon Jang, 2021-09-05 Drawing on work from inside some of America s largest and toughest prisons this book documents an alternative model of restorative corrections utilizing the lived experience of successful inmates fast disrupting traditional models of correctional programming While research documents a strong desire among those serving time in prison to redeem themselves inmates often confront a profound lack of opportunity for achieving redemption In a system that has become obsessively and dysfunctionally punitive often fewer than 10% of prisoners receive any programming Incarcerated citizens emerge from prisons in the United States to reoffend at profoundly high rates with the majority of released prisoners ending up back in prison within five years In this book the authors describe a transformative agenda for incentivizing and rewarding good behavior inside prisons rapidly proving to be a disruptive alternative to mainstream corrections and offering hope for a positive future The authors expertise on the impact of faith based programs on recidivism reduction and prisoner reentry allows them to delve into the principles behind inmate led religious services and other prosocial programs to show how those incarcerated may come to consider their existence as meaningful despite their criminal past and current incarceration Religious practice is shown to facilitate the kind of transformational identity work that leads to desistance that involves a change in worldview and self concept and which may

lead a prisoner to see and interpret reality in a fundamentally different way With participation in religion protected by the U S Constitution these model programs are helping prison administrators weather financial challenges while also helping make prisons less punitive more transparent and emotionally restorative This book is essential reading for scholars of corrections offender reentry community corrections and religion and crime as well as professionals and volunteers involved in correctional counseling and prison ministry

Life in Christ Julia Gatta,2018-07-17 Explore how Anglican traditions enrich Episcopal worship With its great heritage from English mystics the Episcopal Church has been spiritual since before it was trendy and modern Episcopalians have been in the forefront of exploring practices beyond Anglican boundaries Yet perhaps only rarely do they grasp the implications of the theology embedded in these practices or in the liturgies of the 1979 Book of Common Prayer which has shaped Episcopalians in this country with its emphasis on baptismal spirituality and the centrality of the Eucharist Julia Gatta wants to change that with her book *Life in Christ* Applying her years of experience as pastor and spiritual director combined with her study of the spiritual wisdom of the past she explores common Christian practices and their underlying theology through an Episcopal lens In the tradition of Esther de Waal Martin Smith and Martin Thornton with particular reference to scripture the Book of Common Prayer and the wisdom of the Christian spiritual tradition she illuminates methods readers may already be practicing and provides insight and guidance to ones that may be new to them

Authentic Living Richard Exley,2016-11-01 To live an authentic fulfilled life we need to both understand and practice the core beliefs of the Christian faith Being intentional about pursuing Christ is often challenging in our confusing messy world but like the biblical character Daniel who did not compromise his values we must take small deliberate steps to grow in spiritual integrity The short inspirational devotions in *Authentic Living* illustrate how we can be more deliberate in our faith each and every day through small actions like asking forgiveness offering guidance praying specifically and more With these simple yet profound readings we can realize a more fulfilling life and faith one thought one action one day at a time
