**Federal Equity Procedure, Vol. 1 of 2 (Classic Reprint)** C. L. Bates, 2015-07-06 Excerpt from Federal Equity Procedure Vol 1 of 2 This work has been written in response to a demand for a treatise containing a full and systematic statement of the procedure in suits in equity in the circuit courts of the United States During the last twenty five years the really great and important property litigation in this country has been chiefly in suits in equity in the federal courts and such litigation is likely to increase with the progress of the country The procedure in such suits is the same in all the states of the Union not controlled by procedure in the state courts but materially variant from it and the busy lawyer practicing in both state and federal courts has often felt the need of a work furnishing readily a complete and comprehensive statement of the rules of procedure in suits in federal equity The aim of the author has been to state fully the procedure in the prosecution and defense of a suit in federal equity with all its incidents and minor details from the preparation and filing of the bill to and including the final decree and appeal and appellate procedure The successive steps in the progress of the suit and the various rules of procedure applicable to them have been stated in their due order and sequence The book has been written throughout upon the principle laid down in United States equity rule ninety Wherever any question of procedure is covered by a federal statute or an equity rule promulgated by the supreme court such statute or rule is quoted or cited as conclusive of the question When there is no such statute or rule of court the English chancery procedure as it existed in 1842 when the United States equity rules were adopted is stated Mitfords Equity Pleading cited as Redesdale the second edition of Smiths Chancery Practice and the first London edition of Daniells Chancery Pleading and Practice are cited and frequently quoted as stating the English chancery procedure adopted in the federal courts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Federal Equity Procedure, Vol. 2 of 2 \(Classic Reprint\)](#) C. Wheaton,2015-07-10 Excerpt from Cases on Federal Procedure Together With Judicial Code Equity Rules Forms and

Questionnaire This book has been compiled primarily for use in the class room Therefore its size has been kept within such a limit that it can all be covered in two recitations a week for half of a school year As a result only the more important sections of the Judicial Code have been covered thoroughly and cases have not been included on points which are obvious The notes presented in connection with the reprinted cases are not intended to be lists of cases in accord with them but rather to show when there are cases contra to them and to give illustrations of variations of the problems dealt with in them Only those portions of the cases which are relevant to the points which are intended to be illustrated by them are set forth Names and arguments of counsel are omitted as are long lists of cited cases In many instances the facts have been restated The Judicial Code has been included so that it may be available for ready reference The Equity Rules and certain forms illustrating them have been reprinted so that if time permits some work may be done along the practical lines of Federal Procedure A large number of forms have not been reprinted since the students using this book would not have the time to study them accurately I gratefully acknowledge the kindness of Dean Roscoe Pound and Professor Joseph H Beale of the Harvard Law School in responding to my requests for advice The inclusion of certain portions of this book as well as the form given to some of the indexes is due to that correspondence About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works A Federal Equity Suit (Classic Reprint) William Stewart Simkins, 2017-10-15 Excerpt from A Federal Equity Suit Whatever may be one s familiarity with the practice on the law side of the Circuit Court of the United States he can derive very little aid or assistance if called upon to prosecute a suit on the equity side of this court It was to meet this condition that I prepared a series of lectures On a Suit in Equity in the Federal Courts for the instruction of the Senior Classes in the Law Department of the University of Texas About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Bowker's Law Books and Serials in Print , 1995 Procedure, the Handmaid of Justice Charles Edward Clark, 1965 *The United States catalog; books in print 1902* Marion E.
