Feelings And Faith Cultivating Godly Emotions In The Christian Life:

Feelings and Faith Brian S. Borgman, 2009-04-01 Weaves together biblical exposition and practical application to demonstrate how emotions relate to the Christian life. Emotions are a vital part of what it means to be a human being made in the image of God and redeemed in Jesus Christ. But often our emotions confuse and mislead us. So what is the proper place for emotions in a Christian's walk of faith? In *Feelings and Faith*, Brian Borgman draws from his extensive biblical knowledge and his pastoral experience to help readers understand both divine and human emotions. After laying a biblical foundation, he moves on to practical application focusing on how Christians can put to death ungodly emotional displays and also cultivate godly emotions. This biblically informed practical volume is helpful for pastors, counselors, and serious-minded Christians who wish to develop a full-orbed faith that encompasses their emotional life.

Feelings and Faith Brian Borgman, 2009. This practical theology of the emotions explores what the Bible teaches about our emotions and their relationship to our walk of faith.

True Feelings Carolyn Mahaney, Nicole Mahaney Whitacre, 2017-10-13 What am I feeling? Emotions can be confusing. One moment we're happy, content, and hopeful, and the next we're anxious, hurt, and overwhelmed. But we don't have to live at the mercy of our emotions. In *True Feelings*, a mother-daughter team clears away common misconceptions and mixed messages about our feelings to offer us a biblical perspective on emotions, helping us understand how they work, why we feel what we feel, and how to develop good emotional habits. We will see that we don't have to ignore, excuse, or follow our feelings, but can instead learn to honor God with our emotions as an integral part of who he made us to be.

Understanding Affections in the Theology of Jonathan Edwards Ryan J. Martin, 2018-11-15 This volume argues that the notion of affections discussed by Jonathan Edwards and Christian theologians before him means something very different from what contemporary English speakers now call emotions, and that Edwards's notions of affections came almost entirely from traditional Christian theology in general and the Reformed tradition in particular. Ryan J. Martin demonstrates that Christian theologians for centuries emphasized affection for God, associated affections with the will, and distinguished affections from passions, generally explaining affections and passions to be inclinations and aversions of the soul. This was Edwards's own view, and he held it throughout his entire ministry. Martin further argues that Edwards's view came not as a result of his reading of John Locke or the pressures of the Great Awakening, as many Edwardsean scholars argue, but from his own biblical interpretation and theological education. By analysing patristic, medieval, and post-medieval thought and the journey of Edwards's psychology, Martin shows how, on their own terms, pre-modern Christians historically defined and described human psychology.

The Gospel for Disordered Lives Robert D. Jones, Kristin L. Kellen, Rob Green, 2021-10-01 This volume provides an introductory guide to the theory and practice of Christ-centered biblical counseling.

A Virtue Ethical View of Trinitarian Sanctification Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification. The thesis is supported by four reasons why virtue ethics is key to

understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is revealed through the Son's example that is to be imitated by the believer through habituation and reciprocity by the Spirit's leading and 3 believers are led by the Spirit's intercession into prayer Rom 8 14 16 26 27 to be helped through the Son's priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers

True Feelings Michael P. Jensen, 2012

There is no place it seems that feelings do not run high about feelings Western civilization is still caught between adoration of the emotions as sublime and denigration of them as merely animal Can we trust our feelings Should we suppress them or should we indulge them In what part of our persons do feelings occur Contemporary Christianity is no less vexed about emotions The rise of the charismatic movement in the late twentieth century with its emphasis on experiential Christianity has led to an equally strong reaction of suspicion against talk of the emotions as significant for the Christian life Though these questions have an everyday practical importance they also point to profound theological questions about the nature of the triune God and the ascription of emotions to him in the Bible Does God himself have feelings This stimulating volume based on the 2011 Moore College School of Theology offers perspectives on emotions Topics include a cultural overview theological anthropology the question of divine passions the emotional life of Jesus the Spirit's work in perfecting emotions preaching the Gospels for divine effects and the place of the emotions in corporate worship including connections with singing and music The contributors are Rhys Bezzant Peter Bolt Gerald Bray Andrew Cameron Keith Condie Richard Gibson David H. Hune Michael Jensen David Peterson and Robert Smith

The Impassioned Life Samuel M. Powell, 2016-01-01

The Impassioned Life argues that theology's task today is to rethink the nature of the emotions and their relation to human reason Such rethinking is necessary because the Christian tradition feels ambivalently about the emotions Armed with a commitment to body-soul dualism many writers have equated the image of God with rationality and wondered whether emotion is an essential feature of human nature however the tradition has also affirmed the value of emotions such as love and compassion and has sometimes asserted the value of so-called negative emotions such as anger The question then is whether the tradition's pastoral insight into the importance of moderation and control of the emotions requires us to think dualistically about soul identified with reason and body the seat of emotions To answer this question The Impassioned Life

explores the vital resources of the Christian theological tradition and also of contemporary scientific and psychological research in order to achieve a more adequate theological understanding of the emotions and reason At heart it offers a holistic integrated vision of the Christian life lived passionately in its full range of human feeling as life in the Spirit

Troxel, 2020-02-04 Here is a book to be welcomed enthusiastically to be read carefully and to be returned to frequently Sinclair B Ferguson In our world we use the word heart to refer to our emotions But the Bible uses the word heart to refer to the governing center of life We need to grasp the true meaning of the heart in order to better understand ourselves our sin and our need for redemption As we rediscover the heart as the source of all our thoughts fears words and actions we will discover principles and practices for orienting our hearts to truly love and obey God with all that we are **Emotions You**

Feel Matthew Elliott,2008 In Feel Matthew Elliott takes a critical look at what our culture and many churches have taught about controlling and ignoring our emotions He contends that some of the great thinkers of the modern era got it all wrong and that the Bible teaches that God intends for us to live in and through our emotions Emotions are good things that God created us to feel Matthew helps us to understand our emotions and equips us to nurture healthy feelings and reject destructive ones publisher description Harnessing Your Emotions Andrew Wommack,2019-03-12 Emotions are meant for enjoyment created to be good to be controlled by each individual Off the top of your head you could probably think of times when you ve been very emotional and lost control at the slightest set back or challenge You then had to come back and apologize for how your emotions overtook you NO MORE Harnessing Your Emotions teaches us how to take responsibility for our emotions and control ourselves Andrew Wommack shares from his own experiences including his time in Vietnam He shows us why we have emotional problems gives solutions from the Bible and tells why God s answers will bring lasting results Controlling your emotions is easier said than done but the point is it is possible Everyone can benefit from this book There is not one person who can ignore or neglect the emotional part of their lives and still be successful and fulfilled in life The truths from God s Word pointed out in this book ensure that your emotions and actions will never be the same again

The Emotional Life of Our Lord Benjamin Breckinridge Warfield,2022 Our Lord s emotions is a subject that Christians have often neglected and in doing so have deprived themselves of a vital element in the gospel Our Lord was truly human He became like us sin apart Warfield demonstrates that Christ was a man who expressed not just compassion but also anger He was a man of sorrows acquainted with grief and yet a man of joy He was sometimes amazed at times he felt shame Warfield teaches readers how to read the Gospels properly to see that Jesus in his full divinity and full humanity is central to every story

Living Beyond Your Feelings Joyce Meyer,2011-09-06 The average person has 70 000 thoughts every day and many of those thoughts trigger a corresponding emotion No wonder so many of us often feel like we re controlled by our emotions Our lives would be much improved if we controlled them In **LIVING BEYOND YOUR FEELINGS** Joyce Meyer examines the gamut of feelings that human beings experience She discusses the way that the brain processes and stores memories and thoughts and then emotion by emotion she explains how we can manage our reactions to those emotions By doing that she gives the reader a toolbox for managing the way we react to the onslaught of feelings that can wreak havoc on our lives In this book Meyer blends the wisdom of the Bible with the latest psychological research and discusses the 4 personality types and their influence on one s outlook the impact of stress on physical and emotional health the power of memories the influence of words on emotions anger resentment sadness loss grief fear guilt regret the power of replacing reactions with pro actions and the benefits of happiness **Flesh Feelings Or Faith?** Timothy Luchon,2014 Are you willing to give yourself a little test As you read this ask yourself three questions How do I feel about these words What do I think

about what I am reading And Which of those two will make the decision as to whether I accept this or not The Bible teaches that very born again believer is actually two persons in one body There is the old man and nature and then there is the new man created by God s Spirit at the moment of salvation That new quickened spirit is the person who is supposed to be in control of the old persons flesh and feelings Why is it that the flesh and its emotions are so often the things which control the lives of those who profess to be Christians This does not have to be As saved people we are extremely unique and complex We just have to understand our being from God s Word not from our own knowledge or experience Something wonderful took place in you if you were born again But many who claim salvation seem to live more in the old flesh than in their new nature Ask yourself Do I live more in the flesh my feelings or am I truly living a life ruled by faith By a Scriptural understanding of how our own flesh and feelings covertly fight against our new man our old man will be unmasked and we can live our new life by the power God has provided for His redeemed Feelings and emotions can be wonderful servants but they are lousy masters Pastor T S Luchon
