16 INCREDIBLY POWERFUL AFFIRMATIONS to attract FEMDOM to you - like a MOTH to a FLAME - on AUTO PILOT!
Mike Watson, 2020-03-23 Was chatting a friend about this that and sundry a while back ago and the question was posed as it has been a million times before or so it seems I was recanting one of my experiences with Princess Tina and she came the question half curious and half seemingly envious vibes don't lie my friend Where do you meet all these women Mike Well I mean how do you meet them he corrected me And my answer is the same as always as I've always told you without I repeat WITHOUT consciously making ANY effort at all on my end This alone sounds like a mind bender to the vast majority of guys out there vanilla or not for whom running after women is a major pastime And I understand but yet this running after anything rarely results in anything but frustration often times repeated frustration Neither does sitting back and doing nothing accomplish much You hear a lot about wait for it to come to you but this piece of advice isn't necessarily what you should be told my friend if you're having trouble meeting women or dominant women at that And the KEY to meeting both types of women vanilla or not is simpler than you might think While I've outlined no less than TWENTY POWER PACKED and REAL world read very practical tips on how to get yourself the dream dominant lady of your choice in a SEPARATE book I'll

mention later the real key isn't even in those 20 tips. If you haven't read that book as yet then you really do need to in conjunction with NOT in place of this book. The real key is very clearly mentioned in the manual but as Napoleon Hill said in Think and Grow Rich you'll find the SECRET mentioned in nigh every chapter whether you recognize it or not is up to YOU. Quoting from that book paraphrasing rather I could give you the secret right now but that would deprive you of many of the benefits you would get if you discovered it yourself. Truer words have never been uttered or penned my friend. I don't care if you're trying to get rich or lose weight or learn a new language or write a book or several or attract the dominant lady of your DREAMS the same thing holds nigh true. And that coupled with the frustration so many people have in terms of finding the right submissive dominant partner was what caused me to put out the first and IMMENSELY popular first book but the only flaw in it if this could be termed as flaw is that it focused on everything except affirmations and literal how to's. For instance you know via that book that she is always right no matter what but how do you DIN it into your brain so that it literally becomes part of your REALITY. You know he's born to serve for instance but again how do you make that thought part of your subconscious so that the vibes you unknowingly put out REFLECT the same. And so forth. Getting back to it though why do we attract some things to us without even thinking my friend such as in my case Why is a moth attracted to a flame the question I pose on the homepage or honeybee to pollen. Ever notice that what we think about a lot tends to come true. The key my friend is so simple that it should be obvious. In fact I've GIVEN to you not once but twice in this here piece of wringing but you'll have to spot it for yourselves or maybe not hehe. The KEY is your SUBCONSCIOUS and what you REALLY really want at your deepest levels. The 16 affirmations mentioned in this course are powerful visual affirmations that will permanently rewire the way you as a submissive man or dominant woman see a member of the opposite sex and from then on it's smooth sailing. Grab it now and combine with the tips I included in A complete guide to understanding dominant ladies from the Chinese mainland and watch the changes start ROLLING into YOUR LIFE as if on auto pilot.
