web this experiment is about studying the effect of force magnitude on bending of beam and for that structure hardware called str2 bending moment in a beam is used according to the figure of str2 bending moment in beam structure beam is

practical lab report 1 the aim of this experiment is to show - Feb 13 2023

web 1 the aim of this experiment is to show that the bending moment at one point of a beam is equal to the algebraic sum of the moments of the forces on one side of the beam 2 paratus 3 or y a bending momen t is the reacion induced in a structural element when an external force or moment is applied to the element causing it to bend

9 lab report bending moment civil engineering studocu - Aug 19 2023
