Stephenson, 2021-02-08 Developing countries lose billions each year through bribery misappropriation of funds and other corrupt practices Much of the proceeds of this corruption find safe haven in the world s financial centers These criminal flows are a drain on social services and economic development programs contributing to the impoverishment of the world s poorest countries Many developing countries have already sought to recover stolen assets A number of successful high profile cases with creative international cooperation has demonstrated that asset recovery is possible However it is highly complex involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions as well as the capacity to trace and secure assets and pursue various legal options whether criminal confiscation non conviction based confiscation civil actions or other alternatives This process can be overwhelming for even the most experienced practitioners It is exceptionally difficult for those working in the context of failed states widespread corruption or limited resources With this in mind the Stolen Asset Recovery StAR Initiative has developed and updated this Asset Recovery Handbook A Guide for Practitioners to assist those grappling with the strategic organizational investigative and legal challenges of recovering stolen assets A practitioner led project the Handbook provides common approaches to recovering stolen assets located in

foreign jurisdictions identifies the challenges that practitioners are likely to encounter and introduces good practices It includes examples of tools that can be used by practitioners such as sample intelligence reports applications for court orders and mutual legal assistance requests StAR the Stolen Asset Recovery Initiative is a partnership between the World Bank Group and the United Nations Office on Drugs and Crime that supports international efforts to end safe havens for corrupt funds StAR works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets

Federal Criminal Procedure Litigation Manual Stephen A. Saltzburg, 2025 The 2025 Edition of the Federal Criminal Procedure Litigation Manual remains the most thorough comprehensive and ambitious analysis of the Federal Rules of Criminal Procedure As with prior editions the Manual breaks each of the Federal Rules of Criminal Procedure down into its discrete parts and analyzes each part in detail At various times the Manual offers Practice Tips to assist the user in making practical use of the Rules The analysis of each Rule identifies related rules relevant constitutional provisions pertinent federal statutes pertinent federal regulations helpful secondary authorities and leading cases It packs everything one needs to know about the Rules in a useable concise one volume work Publisher *Challenges in the Field of Economic and Financial Crime in Europe and the US* Katalin Ligeti, Vanessa Franssen, 2017-02-23 In the past few years criminal justice systems have faced important global challenges in the field of economic and financial crime The 2008 financial crisis revealed how strongly financial markets and economies are interconnected and illustrated that misconduct in the economic and financial sectors is often of a systemic nature with wide spread consequences for a large number of victims The prevention control and punishment of such crimes is thus confronted with a strong globalisation Moreover continuous technological evolutions and socio economic developments make the distinction between socially desirable and undesirable behaviour more problematic Besides economic and financial misconduct is notoriously difficult to detect and investigate In light of these challenges legislators and law enforcers have been searching for adequate responses to combat economic and financial crime by adapting existing policies norms and practices and by creating new enforcement mechanisms The purpose of this volume is to analyse those challenges in the field of economic and financial crime from different perspectives and to examine which particular solutions criminal justice systems across Europe give to those challenges The volume has four parts The first part focuses on a number of key questions with respect to substantive criminal law whereas the second part will address issues affecting the administration of justice and criminal procedure Part three then explores particular challenges concerning multi agency cooperation and multi disciplinary investigations Finally part four will concentrate on issues regarding shared or integrated enforcement models
