Feed The Children First Irish Memories Of The Great Hunger:

Feed the Children First Mary E. Lyons, 2012-09-06 The great Irish potato famine the Great Hunger was one of the worst disasters of the nineteenth century Within seven years of the onset of a fungus that wiped out Ireland's staple potato crop more than a quarter of the country's eight million people had either starved to death died of disease or emigrated to other lands Photographs have documented the horrors of other cataclysmic times in history slavery and the Holocaust but there are no known photographs whatsoever of the Great Hunger In *Feed the Children First* Mary E Lyons combines first person accounts of those who remembered the Great Hunger with artwork that evokes the times and places and voices themselves The result is a close up look at incredible suffering but also a celebration of joy the Irish took in stories and music and helping one another all factors that helped them endure

Food and Famine in the 21st Century William A. Dando, 2012-02-13 This comprehensive two volume encyclopedia examines specific famines throughout history and contains entries on key topics related to food production security and policies and famine giving readers an in depth look at food crises and their causes responses to them and outcomes Famines have claimed more lives across human history than all the wars ever fought This two volume set represents the most comprehensive study of food and famine currently available providing the broadest analysis of hunger and famine causes as well as a detailed examination of the ramifications of cultural and natural hazards upon famine Volume one focuses upon 50 topics and issues relating to the creation of hunger and famines in the world from 4000 BCE to 2100 including an overview of how agriculture has evolved from primitive hunting and gathering that supported limited numbers of people to a worldwide system that now feeds over seven billion people Volume two entitled *Classic Famines* begins with famines of the past from 4000 BCE to 2100 CE includes ten classic famine case studies and concludes with predictions of famines we could see in the 21st century and beyond
