## **5 Movement of Labor and Capital Between Countries**

1. **Under Headlines: Brussels Resumes Policy Push to Share out Refugees across EU.** there is a map showing persons seeking asylum in the European Union, as of May 2015. In this question, you will be asked to update these figures to reflect the most recent data available. The source of the data is Eurostat, available at <http://ec.europa.eu/eurostat>. Choose "Data" and "Browse statistics by theme." Under the heading "Population and social conditions," you will find "Asylum and managed migration."
