Femdom Pictures Also Female:

More BDSM Mistress Moriah, 2025-09-15 After the launch of *How to Become a Mistress* dozens of topics immediately flew into my head that had not yet been covered in this book Capturing the versatility of BDSM in one book just proved impossible And I fear that even two books is going to be too little *More BDSM* is the logical sequel to *How to Become a Mistress* In this book I go even deeper into the versatility of BDSM All kinds of game forms and materials are discussed that have not been discussed before BDSM is difficult to capture in a handful of words That will always be a challenge even though it is my passion and lifestyle There is still so much unnecessary taboo surrounding this subject and so many misunderstandings I like to introduce the world to the loving intensity of BDSM A side that to my mind gets far too little attention It is so much more than flapping a whip in a sexy outfit It s about merging finding each other in the deeper layers of our being and accepting yourself and each other as a whole

Pornography, Sex, and Feminism Alan Soble, 2011-02 In this unabashed defense of pornography from a utilitarian hedonist perspective philosopher Alan Soble strongly rebuts both feminist and conservative critics Soble demonstrates that neither conservative nor feminist critics of pornography show much acquaintance with the genre they criticize This suggests that purely political motives underlie their critiques instead of reasoned objective arguments based on thorough empirical research Soble also faults critics of pornography for their failure of empathy they refuse to see pornographic images from the various perspectives of their viewers In approaching these images literally detractors promulgate the worst possible interpretation of pornography Further they do not do justice to the social and psychological research about pornography and its purported harms Conservatives and feminists manufacture their case against pornography and its consumers based on oversimplified interpretations of the images and a poor understanding of scientific studies This sardonic and well reasoned critique of feminist and conservative moral outrage over pornography is sure to be

controversial **Carnal Resonance** Susanna Paasonen, 2024-02-06 An exploration of the modalities affective intensities and disturbing qualities of online pornography Digital production tools and online networks have dramatically increased the general visibility accessibility and diversity of pornography Porn can be accessed for free anonymously and in a seemingly endless range of niches styles and formats In *Carnal Resonance* Susanna Paasonen moves beyond the usual debates over the legal political and moral aspects of pornography to address online porn in a media historical framework investigating its modalities its affect and its visceral and disturbing qualities Countering theorizations of pornography as emotionless affectless detached and cold Paasonen addresses experiences of porn largely through the notion of affect as gut reactions intensities of experience bodily sensations resonances and ambiguous feelings She links these investigations to considerations of methodology ways of theorizing and analyzing online porn and affect questions of materiality bodies technologies and inscriptions and the evolution of online pornography Paasonen discusses the development of online porn focusing on the figure of the porn consumer and considers user generated content and amateur porn She maps out the modality of online porn as hyperbolic excessive stylized and repetitive arguing that literal readings of the genre misunderstand its dynamics and appeal And she analyzes viral videos and extreme and shock pornography arguing for the centrality of disgust and shame in the affective dynamics of porn Paasonen's analysis makes clear the crucial role of media technologies digital production tools and networked communications in particular in the forms that porn takes the resonances it stirs and the experiences it makes possible Exchange Colin Milton, 2024-12-06 What happens when the Mistress you've grown dependent on has to go away for an extended period Are you exchanged **Drum**, 2002 **Making Peace with Porn** Allison Vivas, 2013-03-15 One conservative estimate says that 100 million people mostly men look at porn online every day Yet for many women the topic of pornography sparks deep feelings of discomfort and insecurity which can lead to worries or fights about porn's place in long term relationships Porn is often seen as a shameful secret but imagine if you could discuss it with your partner as openly as you discuss the rest of your relationship *Making Peace with Porn* author Allison Vivas is a wife and mother and also happens to run a pornography production company In a relatable good humored tone she incorporates personal stories clinical statistics and the history of adult entertainment to explain why porn might not be such a bad thing after all If you feel uncomfortable with this topic or just want to know more *Making Peace with Porn* is a great place to start a positive discussion Most books about pornography are negative and fear based but this book takes a brave dare we say full frontal look at why pornography is a regular part of many men's lives and it will help you find a way to accept that part of the man you love **Motion Picture Almanac**, 1996 **Sex, Crime and Morality** Sharon Hayes, Belinda Carpenter, Angela Dwyer, 2012-08-21 Over the last few decades there has been a marked increase in media and debate surrounding a specific group of offences in modern Democratic nations which bear the brunt of the label crimes against morality Included within this group are offences related to prostitution and pornography homosexuality and incest

and child sexual abuse This book examines the nexus between sex crime and morality from a theoretical perspective This is the first academic text to offer an examination and analysis of the philosophical underpinnings of sex related crimes and social attitudes towards them and the historical anthropological and moral reasons for differentiating these crimes in contemporary western culture The book is divided into three sections corresponding to three theoretical frameworks Part 1 examines the moral temporality of sex and taboo as a foundation for legislation governing sex crimes Part 2 focuses on the geography of sex and deviance specifically notions of public morality and the public private divide Part 3 examines the moral economy of sex and harm including the social construction of harm Sex Crime and Morality will be key reading for students of criminology criminal justice gender studies and ethics and will also be of interest to justice professionals
