## **Feminism And Its Discontents A Century Of Struggle With Psychoanalysis:**

*Feminism and Its Discontents* Mari Jo BUHLE, Mari Jo Buhle, 2009-06-30 With Sigmund Freud notoriously flummoxed about what women want any encounter between psychoanalysis and feminism would seem to promise a standoff But in this lively often surprising history Mari Jo Buhle reveals that the twentieth century's two great theories of liberation actually had a great deal to tell each other Starting with Freud's 1909 speech to an audience that included the feminist and radical Emma Goldman Buhle recounts all the twists and turns this exchange took in the United States up to the recent American vogue of Jacques Lacan While chronicling the contributions of feminism to the development of psychoanalysis she also makes an intriguing case for the benefits psychoanalysis brought to feminism From the first American psychoanalysis became the property of freewheeling intellectuals and popularists as well as trained analysts Thus the cultural terrain that Buhle investigates is populated by literary critics artists and filmmakers historians anthropologists and sociologists and the resulting psychoanalysis is not so much a strictly therapeutic theory as an immensely popular form of public discourse She charts the history of feminism from the first wave in the 1910s to the second in the 1960s and into a variety of recent expressions Where these paths meet we see how the ideas of Freud and his followers helped further the real life goals of a feminism that was a widespread social movement and not just an academic phenomenon The marriage between psychoanalysis and feminism was not pure bliss however and Buhle documents the trying moments most notably the Momism of the 1940s and 1950s a remarkable instance of men blaming their own failures of virility on women An ambitious and highly engaging history of ideas *Feminism and Its Discontents* brings together far flung intellectual tendencies rarely seen in intimate relation to each other and shows us a new way of seeing both Table of Contents Introduction Feminism Freudianism and Female Subjectivity Dissent in Freud's Ranks Culture and Feminine Personality Momism and the Flight from Manhood Ladies in the Dark Feminists versus Freud Feminine Self in Relation The Crisis in Patriarchal Authority In the Age of the Vanishing Subject Notes Acknowledgments Index Reviews of this book Where some feminists have been hostile to psychoanalysis and some psychoanalysts have been hostile to feminism Buhle a MacArthur Fellow and professor at Brown University finds them linked in their quest to understand selfhood gender identity family structures and sexual expression *Feminism and Its Discontents* is an excellent guide to the history of these ideas The struggles of feminism and psychoanalysis may be cyclical but they are far from over and far from dull Elaine Showalter Washington Post Book World Reviews of this book Buhle's project is to uncover the continual conversation that feminism and psychoanalysis have had with one another to show how they are mutually constitutive By charting the exchanges between psychoanalysis and feminism *Feminism and Its Discontents* corrects the common impression that feminist criticisms fell on deaf if not disdainful ears Buhle takes pains to detail how feminists and their opponents inside and outside psychoanalysis have set the terms for key debates Buhle is an animated and engaged storyteller The story she tells covering nearly a century of the vicissitudes of psychoanalysis and

feminism is full of twists and turns well chosen anecdotes and occasional double crosses The cast of characters is inspiring exasperating remarkable mercurial colorful and sometimes slightly loony Buhle draws them with sympathy and a keen eye for the evocative detail Buhle writes with zest touches of humor and energy Her style is witty and readable It is no mean feat to avoid ponderous and technical language when writing about psychoanalysis but she manages it All told psychoanalysis and feminism sometimes in tandem and sometimes at arm s length have made vital contributions to the question of female selfhood The odd couple of our century they share a large part of the responsibility for our particular form of self consciousness and for the meaning of individuality in modern society Mari Jo Buhle deftly illuminates how together they advanced the ambiguous and radical project of modern selfhood Jeanne Marecek Women s Review of Books Reviews of this book *Feminism and Its Discontents* sets out to unravel the wondrously complex love hate relationships between and within feminism and psychoanalysis which it sees as the two most important movements of modernity The twists and tensions in that relationship highlight the continuous arguments around sexual difference and their entanglement in the messy conflicts in women s lives between motherhood and careers self realization and gender justice Buhle leads her readers through the repeated battles over feminism Freudianism and female subjectivity with exceptional clarity and care Her book will serve as a reliable introduction for those who have scant knowledge of the historical ties binding feminism to psychoanalysis and is also useful for those who wish to remind themselves of what they thought they already knew but may well have forgotten Lynn Segal Radical Philosophy Reviews of this book *Feminism and Its Discontents* adds a novel and welcome twist to the Freud conversation the proposition that feminism was so central to Freud s Americanization that the quest for gender equality can be credited with turning psychoanalysis into what we imagine it always was an enterprise centered on femininity and female sexuality Buhle s assertions are as enticing as they are controversial The book is as relevant for students of feminist politics as for scholars interested in the history of psychoanalysis itself Ellen Herman Journal of American History Reviews of this book An exhaustively researched and accessibly written account of the intersections and collisions between psychoanalysis and feminism Buhle chronicles the gyrations of history and assesses how social theory influences culture and vice versa The result is far reaching and she is at her best when reflecting on how the mainstream accommodates and interprets the scholarly Overall the text promises a lively overview of the mutual benefits derived from a critical coalition between psychoanalysis and feminism Highly recommended for all libraries Eleanor J Bader Library Journal Reviews of this book Buhle bases her intriguing and expansive historical study on the premise that feminism and psychoanalytic theory each in its own way concerned with understanding the self developed in continuous dialogue with each other The author s captivating energetic writing style reflects the often spirited surprisingly tenacious relationship of these two theories from their emergence as unlikely bedpartners of Modernism through the shifting intellectual patterns of this century and the insidious mother blaming of the 50s to the contemporary postmodern paradigm of subjectivity and selfhood Combining

thorough research and incisive analysis Buhle examines the ongoing discourse among Freudian new Freudian and feminist theorists throughout the century as well as the endless fascination of popular culture with the questions of biology versus culture difference versus equality A vital addition to both women s studies and psychology collections Grace Fill Booklist Reviews of this book *Feminism and Its Discontents* covers a dazzling spectrum of thinkers and polemicists ranging from Charlotte Perkins Gilman to Barbara Ehrenreich with admirable clarity and succinctness Buhle s reach in terms of American and French classical neo and post Freudian writing by men and women on women s psychosexual development is equally impressive Few scholars would attempt a comprehensive intellectual history on such a charged topic Buhle has done so in this informative scholarly feat Kirkus Reviews Reviews of this book Buhle has bridged the void between feminism and psychoanalysis with a historian s thorough and penetrating interpretation of theories and thoughts implicit in 20th century liberation movements The introduction is clearly developed and carefully documented Each chapter is skillfully organized with extensive references and notes to motivate the astute scholar There is no question that Buhle has adeptly used a multidisciplinary approach to present ideas and thoughts that give contemporary feminists and post Freudians another opportunity for dialogue on the terms difference and equality G M Greenberg *Choice* *Feminism and psychoanalysis* have each been defining moments of this now fading century and in their tangled relations lie some of its main preoccupations It takes a historian s eye to unravel this story and one with the breadth sympathy insight and wit of Mari Jo Buhle to do it justice *Feminism And Its Discontents* will undoubtedly stand as the definitive study of the encounter between these two great movements Joel Kovel Bard College author of *Red Hun*      [Feminism and Its Discontents](#) Mari Jo Buhle,1998-05-20 Includes a section on feminists versus Freud      **Female Adolescence in American Scientific Thought, 1830-1930** Crista DeLuzio,2007-09-23 In this groundbreaking study Crista DeLuzio asks how scientific experts conceptualized female adolescence in the nineteenth and early twentieth centuries Revisiting figures like G Stanley Hall and Margaret Mead and casting her net across the disciplines of biology psychology and anthropology DeLuzio examines the process by which youthful femininity in America became a contested cultural category Challenging accepted views that professionals invented adolescence during this period to understand the typical experiences of white middle class boys DeLuzio shows how early attempts to reconcile that conceptual category with femininity not only shaped the social science of young women but also forced child development experts and others to reconsider the idea of adolescence itself DeLuzio s provocative work permits a fuller understanding of how adolescence emerged as a crisis in female development and offers insight into why female adolescence remains a social and cultural preoccupation even today      [Feminism and Psychoanalysis](#) ,2001 Each bibliography includes a comprehensive list of the theorist s works and critical studies of these works in English Each bibliography contains approximately 600 to 900 entries Books journal articles essays within edited books in the manner of *Essay and General Literature* and dissertations are included References are provided from a wide variety of disciplines and

bibliographic sources The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals The topical bibliographies include the authoritative works on the subject and are arranged in useful categories The lively part of the modern post modern debate is generally taking place in alternative and left journals journals always included in the literature search in the compiling of the bibliographies

**Healing Identities** Cynthia Burack,2018-08-06 Group identifications famously pose the problem of destructive rhetoric and action against others Cynthia Burack brings together the theory work of women of color and the tools of psychoanalysis to examine the effects of group collaborations for social justice and progressive politics This juxtaposition illuminates some assumptions about race and equality encoded in psychoanalysis Burack s discursive analysis suggests the positive identity affirming aspects of group relational life for African American women One analytic response to groups emphasizes the dangers of these identifications and exhorts people to abandon or transcend them for their own good and for the good of others who may be harmed by group based forms of cultural or material violence Another response understands that people feel a need for group identifications and asks how they may be made more resistant to malignant group based discourse and action What can black feminist thought teach scholars and democratic citizens about groups Burack shows how the rhetoric of black feminism models reparative rather than destructive forms of group dialogue and action Although it may be impossible to eliminate group identifications that provide much of the impetus for bias and violence she argues we can encourage more progressive forms of leadership solidarity and coalition politics

Psychoanalysis and the Portrayal of Desire in Twentieth Century Fiction Kristyn Gorton,2006 Explores the concept of desire through psychoanalytic theory **Raising Citizens in the 'Century of the Child'** Dirk Schumann,2010-09-01 The 20th century declared at its start to be the Century of the Child by Swedish author Ellen Key saw an unprecedented expansion of state activity in and expert knowledge on child rearing on both sides of the Atlantic Children were seen as a crucial national resource whose care could not be left to families alone However the exact scope and degree of state intervention and expert influence as well as the rights and roles of mothers and fathers remained subjects of heated debates throughout the century While there is a growing scholarly interest in the history of childhood research in the field remains focused on national narratives This volume compares the impact of state intervention and expert influence on theories and practices of raising children in the U S and German Central Europe In particular the contributors focus on institutions such as kindergartens and schools where the private and the public spheres intersected on notions of race and ethnicity normality and deviance and on the impact of wars and changes in political regimes *Making Mental Health* Elizabeth Roberts-Pedersen,2024-08-07 Making Mental Health A Critical History historicises mental health by examining the concept from the madness of the late nineteenth century to the changing ideas about its contemporary concerns and status It argues that a critical approach to the history of psychiatry and mental health shows them to constitute a dual clinical political

project that gathered pace over the course of the twentieth century and continues to resonate in the present Drawing on scholarship across several areas of historical inquiry as well as historical and contemporary clinical literature the book uses a thematic approach to highlight decisive moments that demonstrate the stakes of this engagement in Anglo American contexts By tracing the unfinished history of institutions the search for cures for psychiatric distress the growing interest of the nation state in mental health the history of attempts to globalise psychiatry the controversies over the politics of diagnostic categories that erupted in the 1960s and 1970s and the history of theorising about the relationship between the psyche and the market the book offers a comprehensive account of the evolution of mental health into a commonplace concern Addressing key questions in the fields of history medical humanities and the social sciences as well as in the psychiatry disciplines themselves the book is an essential contribution to an ongoing conversation about mental distress and its meanings The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

**The Practice of U.S. Women's History** S. J. Kleinberg, Eileen Boris, Vicki Ruiz, 2007 In the last several decades U S women s history has come of age Not only have historians challenged the national narrative on the basis of their rich explorations of the personal the social the economic and the political but they have also entered into dialogues with each other over the meaning of women s history itself In this collection of seventeen original essays on women s lives from the colonial period to the present contributors take the competing forces of race gender class sexuality religion and region into account Among many other examples they examine how conceptions of gender shaped government officials attitudes towards East Asian immigrants how race and gender inequality pervaded the welfare state and how color and class shaped Mexican American women s mobilization for civil and labor rights *Psychoanalysis and History*, 2002 *Feminist Studies*, 2001 *The Portrayal of Woman's Sentimental Power in American Domestic Fiction* Earl Frank Yarrington, 2007 This book explores the rediscovery of the fiction written by Mary Jane Holmes 1825 1907 and examines the contrasting factors that made her work popular in the nineteenth century but virtually unknown during the twentieth century Cultural poetics and feminism which established a critique on how late nineteenth and twentieth century critics decontextualized Holmes work is the critical emphasis of this study The theory of this study examines aspects of relational capacity that popular women writers present and that which their works are based on and which enables them to relate to their culture and readers

**ICSSR Journal of Abstracts and Reviews** Indian Council of Social Science Research, 1999 *Understanding Dissidence and Controversy in the History of Psychoanalysis* Martin S. Bergmann, 2004 Dissidence and controversy have been an integral part of the history of psychoanalysis at times causing pain disappointment and shame to its adherents The seemingly endless dissent has evoked derision and thrown doubt on the validity of the findings of psychoanalysis Now for the first time a number of distinguished psychoanalysts have met to try and understand this phenomenon This volume the collected proceedings of a single landmark

conference is a major contribution to the understanding not only of the history and nature of psychoanalysis but also to the history of the ideas that shaped the twentieth century essay by Martin S Bergmann which brings together the significant ideas of major dissidents in the psychoanalytic movement Bergmann s discussion of dissidence in a historical sequence results in a panoramic view of the interactions between mainstream psychoanalysis and its discontents that provides a comprehensive look at the movement across several decades The second part of the book is comprised of written responses to Dr Bergmann s essay by Andre Green Otto Kernberg Anton Kris Harold Blum Jill Savage Scharff Robert Wallerstein and Elisabeth Young Bruehl analysts named above as well as William Grossman Peter Neubauer Henry Nunberg and Mortimer Ostow that touches on such wide ranging topics as the reasons for vehement disagreement among psychoanalytic schools how dissidence should be taught in psychoanalytic training the question of what is at the heart of psychoanalysis the libido as pleasure seeking and object seeking the limitations of psychoanalysis the relationship between psychoanalysis and drug therapy and psychoanalysis as science and as ideology This singular volume illuminates issues that are some of the most troublesome and urgent among leading psychoanalysts today

**Interpretations of American History: From Reconstruction** Francis G. Couvares,2000 The passionate arguments and offer a clear distanced vision of the changing character of history They explain how history has usually been viewed through the lens of the present and demonstrate with sparkling historiography that the discipline is as contemporary as the headlines of today as vital as the problems of tomorrow

*Where Do We Fall when We Fall in Love?* Elisabeth Young-Bruehl,2003 Where do we fall in love What are the differences between narcissistic love and affectionate love Are all human beings by nature bisexual Exploring these and other questions this work traces the mystery of love to its sources focusing on the subject from a psychoanalytical perspective

**Radical Historians Newsletter** ,1997 NWSA Journal ,2002 Program of the Annual Meeting - American Historical Association

American Historical Association,1999 Some programs include also the programs of societies meeting concurrently with the association

*Out of Many* John M. Faragher,Professor of American Culture Mari Jo Buhle,Susan Armitage,Daniel Czitrom,2005-04 The Out of Many Teaching and Learning Classroom Edition tells the story of the distinctly American character built upon the ideal of local and cultural diversity Carefully considering the complex social political and historical interactions that shape America s history the narrative unfolds around one promise to celebrate the differences that will always define America Still acclaimed for its scholarship the new edition adds deep discussion striking photos and demonstrative features designed to portray the rich cultural and ethnic diversity that characterizes the United States heritage

This book delves into *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*. *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
    - Chapter 1: Introduction to *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*
    - Chapter 2: Essential Elements of *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*
    - Chapter 3: *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* in Everyday Life
    - Chapter 4: *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* in Specific Contexts
    - Chapter 5: Conclusion
  2. In chapter 1, the author will provide an overview of *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*. This chapter will explore what *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* is, why *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* is vital, and how to effectively learn about *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*.
  3. In chapter 2, the author will delve into the foundational concepts of *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*. This chapter will elucidate the essential principles that must be understood to grasp *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* in its entirety.
  4. In chapter 3, the author will examine the practical applications of *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* in daily life. The third chapter will showcase real-world examples of how *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* can be effectively utilized in everyday scenarios.
  5. In chapter 4, this book will scrutinize the relevance of *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* in specific contexts. This chapter will explore how *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis* is applied in specialized fields, such as education, business, and technology.
  6. In chapter 5, the author will draw a conclusion about *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of *Feminism And Its Discontents A Century Of Struggle With Psychoanalysis*.
